Principal's message

Greetings! Thank you for taking the time to look through this important document. Our team at Taber Christian School (TCS) is continually assessing our practice and performance measures as we strive for excellence. This serves us well as we seek out what is best for our kids, school, and community.

Taber Christian School is an alternative program that serves the town of Taber and surrounding municipality by offering Biblically based education on the sound principles and learning outcomes of the Alberta Education Curriculum. We are a faith-based alternative school with a specific mission: To provide a Christian educational environment in the community of Taber, which uses biblical teaching to prepare all students to reach their full potential, so they can serve God and others with a Christ-like attitude. Our Society Board, which is made up of 9 parent volunteers, helps to oversee the school building and property.

For the 2023-2024 school year, TCS has 438 students in Early Learning (formally Pre-K) through Grade 8. We serve a community of over 24 different churches. TCS has 22 teachers, 19 of whom are full time. There are 11 support staff which includes classroom assistants, front office staff, and custodians. All our staff are dedicated Christians who agree with the Mission and Statement of Faith of TCS.

At Taber Christian School we find our success in our students. We find success in seeing our students excel and use their God-given talents and abilities. This includes seeing them fulfill the mission of Taber Christian School to 'serve God and others with a Christ-like attitude'. To us, that is success!

We look forward to our journey ahead. We have just completed the Flourishing School Survey and look to put into place additions to our programming to support our community.

May we worship God in all we do!

For His Glory,

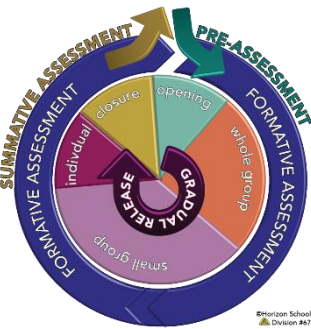

Klaas Hoekstra
School Principal
